

American LitePole Warranty

American Lite Pole warrants our products to be free from defects in material and workmanship under normal use and operation for the period of one year from the date of shipment. Any materials or parts, which are defective and returned to American Lite Pole will be replaced or repaired without charge, F.O.B. factory. However, this warranty shall be null and void unless we are notified of such defects within this one-year period from the date of shipment. Such notification shall be directed to American Lite Pole, attention of the Customer Service Manager.

Provided further, no goods shall be returned to us without prior written consent or authorization.

This warranty does not cover damage caused by improper installation, overloading, accident, or neglect. This warranty does not cover alterations, modifications, or additions unless the change is acknowledged, in writing, by American Lite Pole. In addition, the warranty excludes fatigue failure or similar phenomena resulting from induced vibration, harmonic oscillation or resonance associated with movement of air currents around the pole.
